

New Year's wishes ENOTHE

Dear valued ENOTHE member,

A brand new year has started! Most of us continuing OT education with the learned experiences of last year's world changing challenges. We have seen that quality of OT education, the strength of fieldwork, innovation of blended learning and inclusiveness are of great importance for students, lecturers and our network. Due to the commitment of members in projects, initiatives, newsletter contributions ENOTHE can continue her mission and the board and office are keen on working further on a sustainable network organization fit for future generations. Keep track of our posts, tweets, mails and calendar, because lots of good and informative activities are coming up this year.

Starting off with [this promotional video](#): a homemade collection of testimonials showing what ENOTHE means to members and brings to them.

On behalf of the ENOTHE board,

I wish you all the best for a happy, healthy and hopeful 2021.

Kind regards,
